WELCOME TO WESTFIELD!

NEW RESIDENT INFORMATION

WELCOME TO WESTFIELD!

Hello, and Welcome to Westfield!
On behalf of the city, I thank you for choosing our community as your new home. I know you've made an excellent decision, as have many others. National publications consistently recognize Westfield as one of the safest and most desirable places to live in America.

Located twenty miles north of Indianapolis and the state's capital, Westfield has grown from a farming community into a vibrant city of over 50,000 residents. Close to several colleges and world-class entertainment venues, Westfield is known for its extensive recreational trail system, beautiful parks, well-planned subdivisions, abundant shopping, and revitalizing downtown. We are an effective, efficient, and fiscally sound city.

Here are a few more things about us;

- Westfield is home to one of Indiana's top school districts with award-winning schools.
- Grand Park, our 400-acre sports campus, is home to the NFL's Indianapolis Colts Training Camp and the Indy Eleven professional soccer team.
- Remarkable local restaurants and the award-winning Grand Junction Plaza, a six-acre downtown park hosting concerts, movies, ice skating, and a Farmer's market. All combine to make our downtown one-of-a-kind.

Despite our city's many accolades, none is more significant than our people. We don't have an ocean or mountains; instead, we have residents who work together with a unique and shared vision and values that make Westfield a wonderful place to live, work, raise a family, and build a business.

This packet includes essential information about utilities, trash/stormwater bills, and snow removal and will answer many other questions. I look forward to an opportunity to meet you in person. Please call me at 317.804.3150 to arrange a time. Again, welcome, and I hope to meet you soon!

Andy Cook
Mayor of Westfield
